SUMMARY

Experienced and results-oriented Asp.Net Developer with a proven track record of 2 years in designing, developing, and implementing robust and innovative Asp.Net based solutions. Proficient in various frameworks and technologies, adept at full-stack web development, and skilled in translating client requirements into scalable applications. Strong problem-solving abilities, attention to detail, and a passion for continuous learning. Effective communicator and collaborator, committed to delivering high-quality projects on time and exceeding client expectations.

SKILLS

✚ C#.	✚ WPF.	✚ JAVA.	✚ Spring Boot.
✚ .Net Framework.	✚ Azure Deployment Skill.	✚ HTML.	✚ Hibernate.
✚ ASP.Net.	✚ VM server.	✚ CSS.	✚ JPA.
✚ MVC.Net.	✚ DNS .	✚ SQL.	✚ MAVEN.
✚ SSMS.	✚ SSL.	✚ Spring	✚ GIT-HUB.

WORK EXPERIENCE :-

Worked At Yotta Technologies Since From
Designation:- Associate Software Developer.

04/2023 -03/2024.
Location:-Hyderabad.

Responsibilities:-

- ✚ C# .Net MVC Architecture, API integration, Azure Cloud Service integration, and Deployment.
- ✚ Extensive experience working across the full stack – database, back end and front end.
- ✚ Strong knowledge of software design, software architecture, and programming best practices.
- ✚ Proficient with .Net Framework and .Net Core.
- ✚ Proficiently use source control and team collaboration tools such as GitHub, and Microsoft Teams.
- ✚ Strong OO skills and extensive programming experience in C#.
- ✚ Proficient with building RESTful web services using Web API.
- ✚ Proficient with database design,EntityFramework,EntityManager and SQL.
- ✚ Proficient in the use of Visual Studio, source control and continuous integration and deployment tools.
- ✚ Ability to work on multiple project teams.
- ✚ Very eager to learn and able to grow technically, as well as to foster the growth of team members.

PROJECT A:- Hospital Management System.

Worked As A .Net Developer Engaged In Developing Web Based Applications.

The hospital management system is a computer system that helps manage the information related to healthcare and aids in the job completion of healthcare providers effectively. They manage the data related to all departments.

- ✚ Designed and implemented web-based applications to streamline hospital operations and improve efficiency.
- ✚ Collaborated with stakeholders to gather requirements and translate them into technical solutions.
- ✚ Developed modules for patient management, appointment scheduling, billing, and inventory management.
- ✚ Ensured the reliability, scalability, and performance of the system through rigorous testing and optimization.
- ✚ Conducted code reviews to maintain code quality and adherence to coding standards.
- ✚ Troubleshooted and resolved issues in the existing system to ensure uninterrupted operation.

- ✚ Created and maintained technical documentation including system architecture, design documents, and user manuals.
- ✚ Worked closely with cross-functional teams including designers, testers, and project managers to deliver high-quality solutions on time.
- ✚ Stayed updated on the latest technologies and trends in Java development to enhance the functionality and usability of the system.

Project B,C,D:- Web Application all are relatable projects for organization.

Developed and maintained ASP.NET web applications for a client. Collaborated with team members to meet project deadlines.

- ✚ Contributed to the development of a comprehensive web application tailored for colleges ,Institutions using Asp.Net Frame work technologies.
- ✚ Played a pivotal role in the design, development, and implementation phases of the project.
- ✚ Collaborated closely with colleges and Institute administrators and stakeholders to gather requirements and understand their needs.
- ✚ Designed and implemented features such as student enrollment, course registration, faculty management, and administrative tools.
- ✚ Ensured the security and integrity of sensitive college data by implementing robust authentication and authorization mechanisms.
- ✚ Integrated third-party APIs and services for functionalities like payment processing, scheduling, and communication.
- ✚ Worked closely with the UI/UX team to ensure the application's usability and accessibility.
- ✚ Implemented performance optimization techniques to enhance the responsiveness and scalability of the application.
- ✚ Provided technical support and training to college staff members during the deployment and post-launch phases.
- ✚ Stayed abreast of emerging technologies and industry best practices to continuously improve the application's functionality and efficiency.
- ✚ Collaborated with team members to meet project deadlines resulting in timely delivery of projects.

Xworkz Development Center

03/2022 - 04/2023.

Associate Software Developer

Location :-Bengaluru.

Roles and Responsibilities

- ✚ Development experience Designing, programming & debugging applications in C# .NET(or another robust programming language) and Experience with SQL Server.
- ✚ Ability to understand and develop API end points utilizing tools such as Visual Studio.
- ✚ Assisted senior developers in designing and implementing Java-based solutions for various projects.
- ✚ Participated in the development of web applications, focusing on front-end and back-end functionalities.
- ✚ Conducted code reviews and assisted in debugging and troubleshooting to ensure code quality and performance.
- ✚ Collaborated with team members to brainstorm and implement innovative solutions to technical challenges.
- ✚ Contributed to the documentation of project specifications, design decisions, and codebase.
- ✚ Engaged in learning sessions and workshops to expand knowledge of Asp.Net development best practices and tools.

- ✚ Adhere to the project and coding standards as necessary. Contribute to the development of such standards where required; also recommend/implement process improvements.
- ✚ Strong technical skills on Programming, i.e., C#, ADO.NET
- ✚ Strong knowledge of web service & Rest APIs
- ✚ Excellent written and verbal communications skills
- ✚ Ability to interact with individuals at all levels of organizations

ACADEMIC DETAILS :-	
VISVESVARAYA TECHNOLOGICAL UNIVERSITY. BACHELOR'S ENGINEERING. (69.55%). 2022	BANGALORE TECHNICAL OF EDUCATION. DIPLOMA ENGINEERING (65.52%). 2017

OTHER SKILLS :- MS-Word, MS- Excel, MS PowerPoint.

IDE TOOLS:- Eclipses-Code, SQL Workbench, Notepad++. VS-2022, SSMS, VS-Code.

IDE's USED :- Eclipse IDE, SQL Workbench, Visual Studio Code.

LANGUAGE:- English, Kannada, Hindi.
